Astoria, NY 11103

Objective

A position with heavy emphasis on video production and post-production for television and web products.

Education

Ball State University, Muncie, IN— Bachelor of Arts, Telecommunications

Concentration: Video Production

Graduation: May 2008

Professional Experience

Dubber/Facilities Manager, Rabbit Content New York, NY 2009-Present
Restructured archival process for directors' libraries and streamlined showreel production process. Maintain office needs such as freelancer schedules, email systems, and media library. Edited Behind the Scenes packages for several productions.

Outreach Associate, Current TV New York, NY 2007-2009

Networked producers and pre-professionals with the Viewer Created Ad Message program at Current TV. The program works with companies such as AXE, HP, and Nikon Cameras to create advertisements with viewers to air on the network.

DP/Editor/Visual Effects Producer, Ball State University Muncie, IN 2008

Filmed and worked post-production for "Finding Harmony", a 30 minute educational film produced by the Ball State Department of History. The film was distributed to elementary schools in the fall of 2008, as well as aired on local PBS affiliates. The film won "Best Youth Programming" at the 2009 NATAS-Lower Great Lakes Regional Emmys.

Related Experience

Director/Post Production Supervisor, Ball State University Muncie, IN 2007

Selected to direct the 84 min. feature film, "Grove Lake", with team of 110 students and faculty. As Director, I made all creative choices during the filming process. As Post Production Supervisor, I oversaw all elements of video and audio post production. The film screened at the Indianapolis IMAX theater in March 2008.

Associate Producer, Something Else Muncie, IN 2007-2008

Lead student comedy organization Something Else, a "viral" sketch comedy organization. Content has received over 2 million visitors and has been featured on network television.
